SELKEY
Cyber Security Pvt. Ltd.
Assuring Security For Surity

Internship Completion Certificate

Date - 12/06/2026

Certificate No: SCSINTHARRAN2026-05/002

Dear **Harsh Sandipbhai Rana,**
Congratulations!

This is to certify that you have successfully completed your internship as a **Web Developer Intern** at **Selkey Cyber Security Pvt. Ltd.** from 11th May, 2026 to 10th June, 2026.

During the tenure of your internship, you have demonstrated strong technical skills, creativity, attention to detail, and a proactive approach toward web development. You have actively contributed to the design, development and maintenance of websites and web applications, ensuring functionality, responsiveness and performance.

Your key contributions include:

- Designing and developing responsive websites using HTML, CSS, JavaScript and modern frameworks.
- Assisting in front-end and back-end development of web applications.
- Customizing and maintaining WordPress websites and themes.
- Optimizing website performance, speed and user experience.
- Testing and debugging websites to ensure compatibility across devices and browsers.
- Integrating forms, APIs and third-party tools as required.
- Implementing basic security best practices for web applications.
- Maintaining project documentation and assisting in deployment activities.

We appreciate your dedication, enthusiasm, and commitment to delivering high-quality web solutions. Your performance throughout the internship has been commendable and we are confident that you will excel in your future career in the web development domain.

We wish you all the best for your future endeavors.

SELKEY CYBER SECURITY PVT. LTD.

Sincerely,
Nruzal Darji
